Thirty Second Sunday in Ordinary Time

In the rising of the sun and it's going down
We remember them
In the glowing of the wind and in the chill of winter
We remember them
In the opening of buds and in the rebirth of spring
We remember them
In the blueness of the sky and in the warmth of summer
We remember them
In the rustling of leaves and the beauty of autumn
We remember them
In the beginning of the year and when it ends
We remember them
When we are weary and in need of strength
We remember them
When we are lost and sick at heart
We remember them
When we have joys we seek to share
We remember them
So long as we live, they too shall live
For they are now a part of us, as *we remember them.*
